DERANGEMENT IS A WAY

DURING MY SEVENTEEN YEARS
OF INFAMOUS ACTIVITIES. SOME

Reflections in the waves

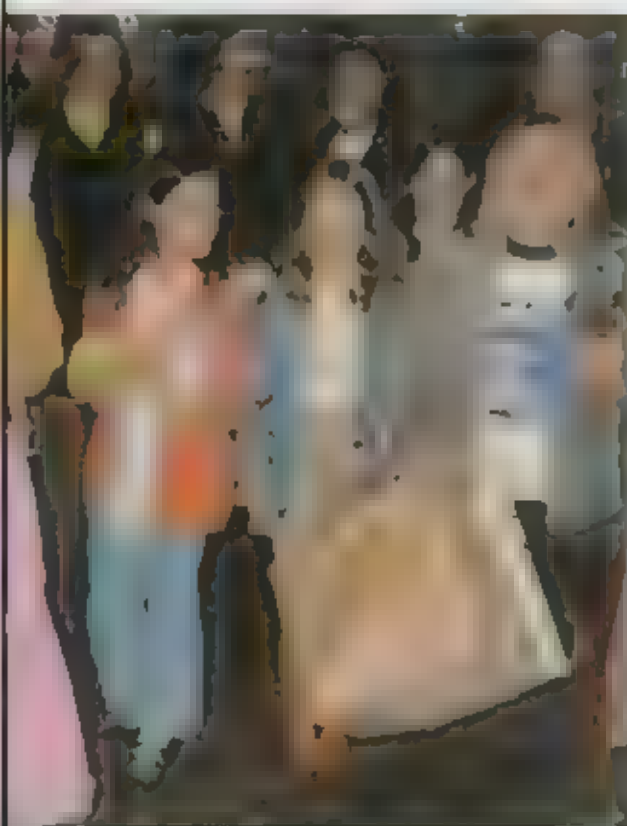

Spark my memory

Some happy,

Some sad

I think of childhood friends

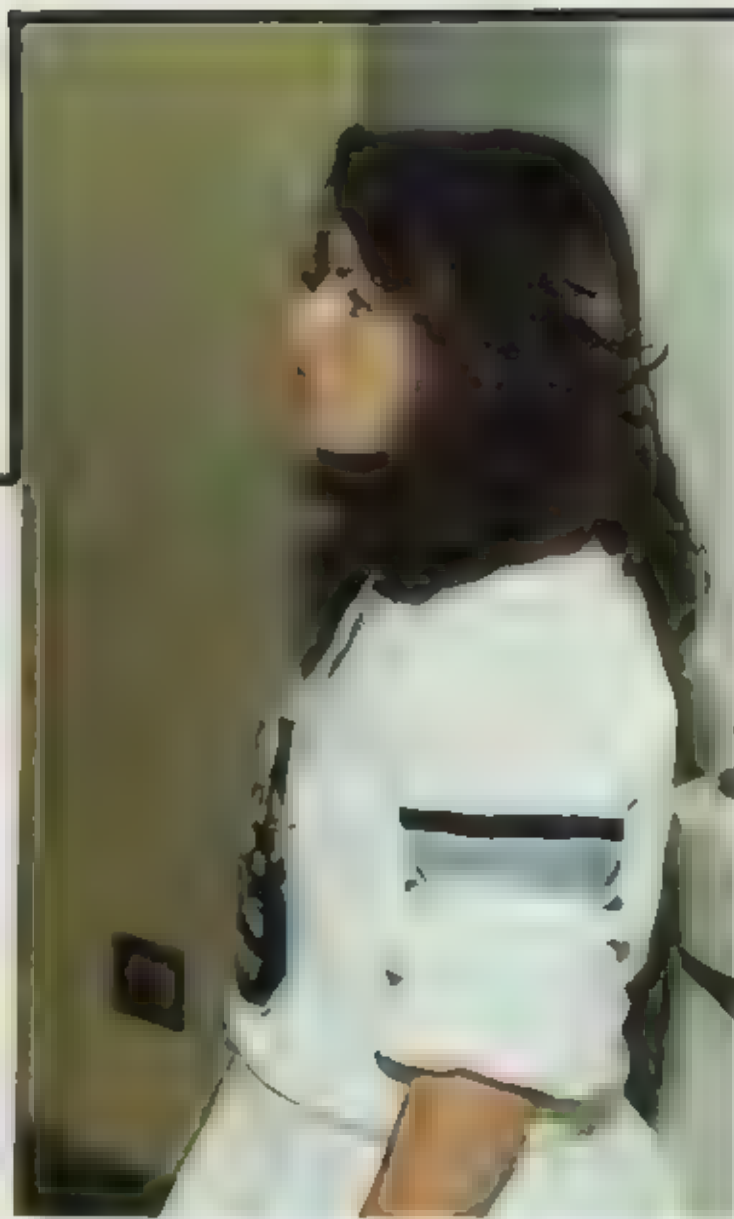

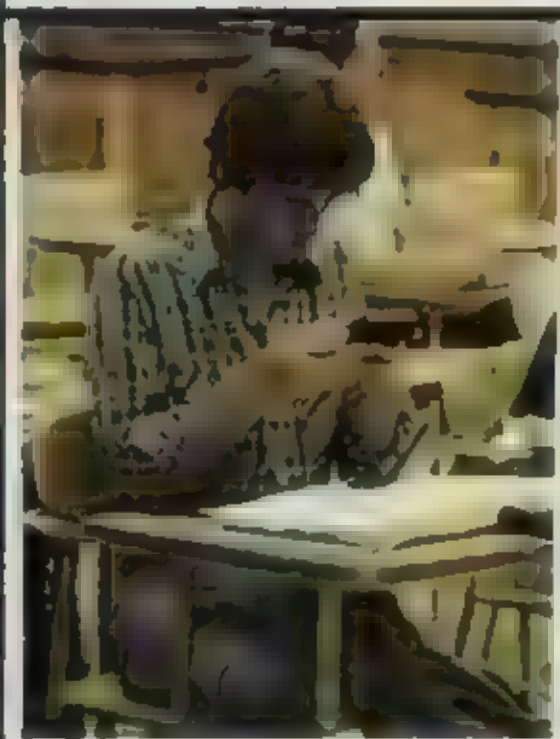

And the dreams we had

We lived happily forever

So the story goes

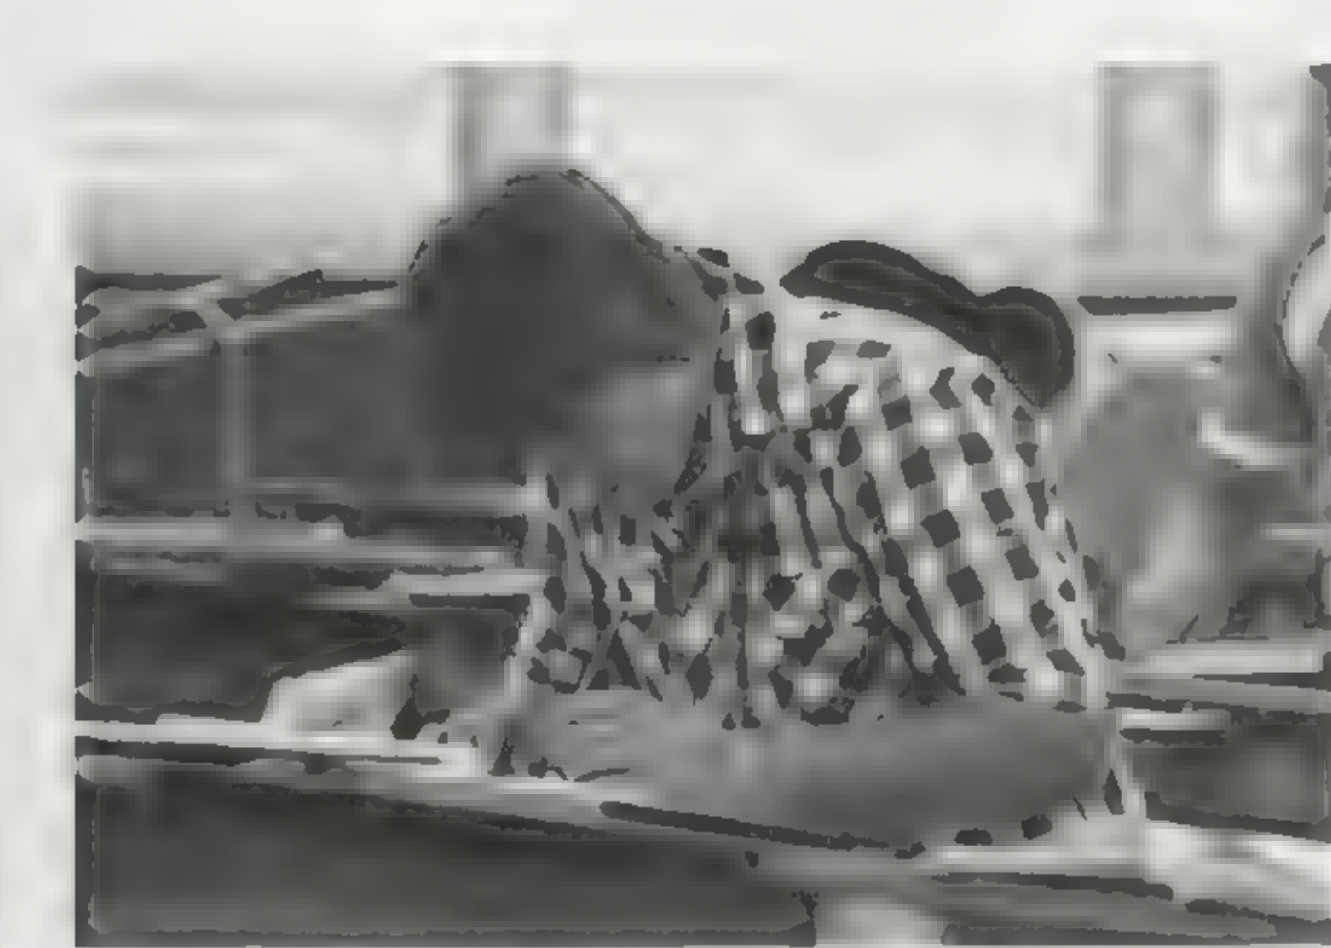

But somehow we missed out

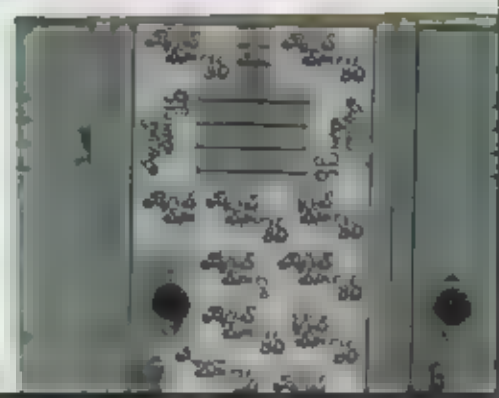

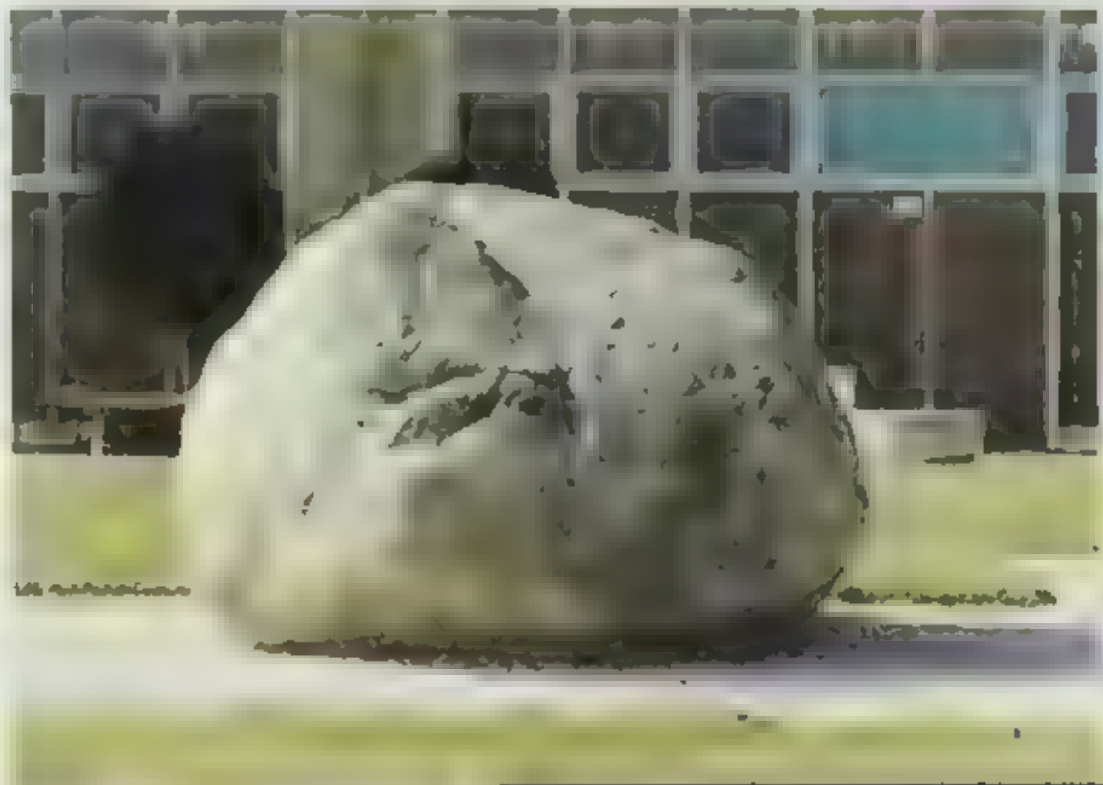

On the pot of gold

But we'll try best that we can

[illegible]

To carry on.

Mr. Hoy Little

Dedication

We, the Ursa Major staff, would like to recognize a man who greets us each day with the friendly smile of hello, and helps to keep this school running smoothly. He has the enormous job of School Operations Foreman at Branham High School.

He began his career at Branham High School over nine years ago as a custodian, and was promoted three years later to his present position. His dedication to the job and his warm, cheerful personality make him a favorite to the entire school.

A truly delightful person who has great pride for his work and school and a great appreciation for students and all school personnel."

Mr. Dick Henry

"He is the most thoughtful, dependable and caring person who helps make teaching a whole lot easier."

Mrs. Chris McLafferty

It is with great pride and our warmest "thank yous" that the staff of Ursa Major dedicates our 1980 yearbook to Mr. Hoy Little.

The 1958 season was a disappointing one for the Varsity football team. It was not the first time we had experienced such a loss. However, our lack of experience was a factor. Players who will be returning next year will have gained a great deal of experience. We look forward to the 1959 season.

Despite a slow start, the team came back—the latter half of the season's work—out of their early games. This season, however, the most successful season Ward has ever had. The season was starting slow, we were in CCS consistently. During the season, we beat records were broken. One was the field goal record, now it's 100%. The other was the free throw record, which was 80%. Also, a new record was set by Jon Denton in field goal percentage with 87%. The team's overall record was 14-2, with a 10-1 record with Poudre.

This year's girls' soccer team has improved their record from last year with a 5-1 record. There was a good deal of work last year, as is returning players, and very young, but they play well as a team. I'm looking forward to new year and an even better record.

Pre Season 3-2-2 League 6-0-2

The 1990 soccer season proved to be very successful for the group, to become a championship. It proved to be very valuable for both myself and players since it was the first time I had any movement in soccer and many of the players had never played soccer with me. The championship can page state with only outstanding players who were able to use their skills on team play. This was one of the best seasons I have had in a long time because of the group of athletes I had to work with. They showed desire to work hard and improve their play and become champions. Congratulations, 1990 soccer champs!

The 1979-80 wrestling team started as a team that seemed to be too young and too inexperienced. With five freshmen and sophomores, six juniors, and only 2 seniors, the team seemed destined for 4th or 5th place at best. But through the hard work and devotion of most of these young men, the Branham varsity wrestling team of 1979-80 became the first champions in the school's history.
